

Hello, did you learn the 10 words of the last week?

Let us test if you know them. Say in English: Einzelkind, auf die Nerven gehend (ich 😊), idealer Beruf, abgammeln/herumhängen, umziehen/wechseln, Dinge, die ich tun möchte, streng, weniger streng, Taschengeld, die Schule beenden. Schaut noch mal im Hefter nach, was ihr nicht mehr wusstet.

Read page 48 in the Englishbook again, maybe loudly. Open the workbook and do 32/1 a and b.

Would you like to be friends with one of the 3 teenagers? Why? (Write B40/M60 words into your folder)

After that write the 5 questions and answer them for yourself. You do not have to write as much as Keira, Connor and Lina.

On Monday you will be back at school again. Follow all the rules, that you can read at the Marcus-homepage. The next topic in English will be „All about mobile phones“. You will like it.

Bringt zu Montag mit, was ihr im Home-Office gemacht habt, besonders Deutsch, Mathe, Englisch und die Fächer, in denen ihr eventuell noch gute Noten braucht.

That`s all for today, this week and your „School of the Air“.

Greetings from

Mrs Rausch
